Enrique

See attached invitation and parking info for the Williams Full Steam Ahead event next week. The ceremony and reception begins at 4 pm, however there will be a tour of the base from 1 to 3 . I'll get more info for you on where the tour meets. I've attached a couple of youtube videos on Williams redevelopment and on the Steam Enhanced Extraction System posted by AF:

Please join the Air Force Civil Engineer Center for a **Full Steam Ahead** event.

The event will celebrate one of the final milestones in the environmental cleanup program at the former Williams Air Force Base, the operation of the innovative Steam Enhanced Extraction technology.

The event will take place **TUESDAY, MARCH 24, 2015 from 4 to 5 p.m.** at the former Williams Air Force Base.

6113 SOUTH KENT ST. MESA, ARIZONA 85212

Please see the attached map for directions.

Refreshments will be served immediately following the ceremony.

PLEASE RSVP TO BRIAN SYTSMA
